

SECURE, SCALABLE COLLABORATION SITES MADE EASY

Create scalable data-rich collaboration sites without the usual technical challenge of creating and managing client portals.

Provide your clients with the transparency, communication and experience they expect without overwhelming your IT staff.

Built on Office 365® Technology

- Maximize your existing technology investments
- No need to download or learn new software
- Leverage existing storage space

Leverages Over 25 Years of Aderant Handshake Innovation

Automatic Provisioning of External Sites

Administrative User Interface

- Manage pipeline operations, site health, content source and publication schedules
- Create or deactivate external sites

Static Content Managed Internally

- Secure messaging to all users with permissions
- Target marketing, news, blogs, and more for specific clients, matters, practice and industry groups

Access to Over 40 Line of Business Plug-ins Including:

- Top Law Firm Practice Management Systems
 - WIP, Invoices, AR, Budgets
- Online Legal Research
- ECM/Document Management
- News & Company Research
- CRM Platforms
- 3rd Party Time Entry Systems
- Calendaring
- Legal Project Management

ADERANT DRIVE CAN HELP YOU FACILITATE:

Secured Document Sharing

Deal Rooms

Team Collaboration

Client Dashboards

Matter Dashboards

Data Capture

Targeted Business Development

Content Marketing

Curated Knowledge Management

Social Media

RAPID IMPLEMENTATION AND DEPLOYMENT

Aderant Drive can be rapidly deployed and configured, so you can focus on client engagement.

Aderant Drive offers users out-of-the-box Design Templates that can be deployed as is or tailored to suit your client engagement needs. A Drive Collaboration site can be setup and deployed in minutes.

ADERANT DRIVE COMPONENTS

Aderant Drive Components are customized and targeted tasks that users can add to a site to create engaging Design Templates.

NAME	PURPOSE
Targeted News	Provide links to news items and other helpful resources relevant to a client, matter or practice group
Invoices	Publish invoice details with a downloadable PDF
Generic Documents	Integrate with document management solutions for document collaboration
Docket	List calendared events (start date/end date) for a client or matter
LPM	View list of client or matter tasks, their current progression, and responsible party's title and description
Matter Status	Review status information for individual matters
Financial Metrics	See current WIP and AR at the matter level
Teams	Introduce both internal and external team members at both the client and matter level
Matter Messages	Send secure messages and notices
