

Unlock Efficient Billing, Analytics, and Revenue Boost

In the fast-paced world of legal services, efficiency is key.

BillBlast, our industry leading billing management solution, stands out with a myriad of benefits that redefines the billing landscape. Let's delve into why **BillBlast** is the leading solution.

Billing Excellence, Your Way:

BillBlast solidifies its position as the go-to choice for legal firms, offering a distinctive blend of efficiency and revenue optimization. Firms are drawn to BillBlast's commitment to clean bill submissions, reducing the need for corrections and ensuring a streamlined process. The actionable analytics act as a catalyst for increased revenue realization, providing invaluable insights into billing status and rejection reasons while alleviating stress in the billing department.

Four Reasons to Choose BillBlast:

Compliance: Ensure billing & OCG compliance from billing setup to bill preparation and delivery, ensuring every step adheres to client requirements.

Coordination: Seamlessly integrate multiple processes, data, and teams, fostering collaboration and efficiency in your firm's operations.

Cost: Significantly cut costs by eliminating the need for manual setup of matter data, as well as the manual preparation and delivery of bills.

Compensation: Minimize bill rejections caused by non-compliance or lack of visibility and tracking, thereby accelerating payment.

Key Features:

E-Billing Management

End the chaos of dealing with multiple spend management systems and adhering to numerous client-specific billing rules.

Email Billing Management

Get rid of the tedious process of creating and sending individual email invoices. Let BillBlast do the heavy lifting for you.

Billing Matter Management

Eliminate any inconsistencies between the firm's internal matter setup and the ebill vendor portal site setup.

Billing & Payment Analytics

BillBlast Analytics is more than just dashboards. It's the eyes and ears of your firm.

"We set goals for our team to have invoices out the door within two business days or otherwise assign a status to indicate their blocker. With BillBlast, our team has exceeded those goals. It has enabled top-down support from firm management to set expectations with attorneys and staff on removing the blockers. As a result, we have reduced our A/R backlog, reduced write-offs, and improved realization"
